2022
BYDGOSZCZ

XIII MIĘDZYNARODOWA
KONFERENCJA NAUKOWA
13th INTERNATIONAL
CONFERENCE

MIKOTOKSYNY I PLEŚNIE
AKTUALNE TRENDY
MYCOTOXINS AND MOULDS
CURRENT TRENDS

Invitation

It is a pleasure on behalf of Department of Physiology and Toxicology, Faculty of Biological Sciences, Kazimierz Wielki University in Bydgoszcz (Poland) to invite you to the

13th International Conference

„Mycotoxins and moulds – current trends”

The Conference takes place in Bydgoszcz, Poland in **29.06. – 01.07. 2022**

Application form should be sent by e-mail:

31 March 2022

We are waiting for application of lecturers (20minutes) and short presentations (10 minutes) and posters

In a proceeding book we will print only the abstracts of the presentations. In 2021, 45 years of professional work and 70th birthday was celebrated by prof. dr hab. inż. Jan Grajewski, Head of the Department of Physiology and Toxicology. The organizers decided to celebrate these two occasions during the 13th International Conference „Mycotoxins and moulds – current trends”.

Subjects of the Conference:

- | | |
|--|---|
| <input type="checkbox"/> Occurrence of food, feed and environmental contaminants | <input type="checkbox"/> Toxicological aspects of contamination |
| <input type="checkbox"/> Regulations | <input type="checkbox"/> Prevention strategies |
| <input type="checkbox"/> Analytical developments | <input type="checkbox"/> Food, feed and nutrition safety |
| | <input type="checkbox"/> Diet supplements and feed additives |

Further information about the Conference can also be obtained at the homepage of the conference website www.mycotoxin.ukw.edu.pl

Depending on the health situation related to COVID pandemic and the measures decided by the Poland authorities, a sanitary pass may be required (proof of vaccination, negative PCR or antigenic test to access to conference and gala dinner sites).
